

## **NOTICE OF VACANCIES SCHOOL PSYCHOLOGIST**

The Black Hawk Area Special Education District (BHASED) is a special education cooperative located in Northwestern Illinois along the Mississippi River. BHASED serves 15 school districts within Rock Island, Henry and Mercer counties. The Quad City area has excellent schools, a wide range of recreational and cultural opportunities, several colleges and universities plus very affordable housing.

We promote a team approach and a broad role for psychologists that includes consultation, intervention planning and implementation, counseling, psychological evaluation, training and strong support for the need to consider both the academic and mental health needs of students. School psychologists within BHASED have many opportunities to influence the continued and important transition to the Response to Intervention or problem solving paradigm. BHASED recently received a grant to provide training for 5 internal Rtl coaches.

BHASED also offers an excellent leave and benefits package with a competitive salary and many opportunities for on-going professional development.
